Recording of Council Meetings

The Local Audit and Accountability Act 2014 allows both the public and press to take photographs, film and audio record the proceedings and report on all public meetings (including on social media).

Any member of the public wishing to record or film proceedings must let the Chairman of the meeting know prior to, or at the start of, the meeting and the recording must be overt (i.e. clearly visible to anyone at the meeting), but non-disruptive. Please refer to our Policy on audio/visual recording and photography at Council meetings at www.yeovil.gov.uk This permission does not extend to private meetings or parts of meetings which are not open to the public.

Members of the public exercising their right to speak during the time allocated for Public Comment who do not wish to be recorded or filmed, need to inform the Chairman who will instruct those taking a recording or filming to cease doing so while they speak.
AGENDA

PUBLIC COMMENT – Members of the public wishing to comment on any application or other matter are requested to speak at the beginning of consideration of that item, for a duration of no more than 3 minutes. Any further comments or questions will be solely at the Chairman’s discretion. Please inform the Chairman at the beginning of the meeting and identify the application on which you wish to speak.

Please note that the Town Council is a Statutory Consultee for Planning Applications and as such does not make the final decision on any Application. The decisions and comments this Committee makes will be fed into the planning process. South Somerset District Council is the Planning Authority and will issue the final decision notice (Planning Determination) once their investigations into the application, consultation period and decision making process has been completed.

(NB this does not preclude any later declarations).

Members of the Committee, who are also Members of South Somerset District Council, are reminded of the need to declare their membership of that Council and indicate that they may speak and/or vote on applications which may be later referred to that Council for determination, and that they could reconsider any such applications at district level taking into account all relevant evidence and representation made at that tier.

PLANNING MEETING
MONDAY 18 September 2017

PLANS LIST

The schedule of planning applications is attached.

The recommendations of the Town Council are taken into consideration by the District Council (the Planning Authority) as part of the application determination process. However, the final decision will be made by the Planning Authority having regard to any views expressed by the public, various consultees (including the Town Council) and District Council Ward Members.

BACKGROUND PAPERS

The background papers to the items in this Plans List are the planning files listed which are held in the Area South Planning Department, South Somerset District Council, Council Offices, Brympton Way, Yeovil, BA20 2HT.

HUMAN RIGHTS ACT STATEMENT

The Human Rights Act 1998 makes it unlawful, subject to certain expectations, for a public authority to act in a way which is incompatible with a Convention Right. However when a planning decision is to be made there is further provision that a public authority must take into account the public interest. Existing planning law has for many years demanded a balancing exercise between private rights and public interest and this council’s recommendations on planning applications take into account this balance. If there are exceptional circumstances which demand more careful and sensitive consideration of Human Rights issues then these will be taken into consideration by South Somerset District Council as the Planning Authority when they determine the applications.
