This permission does not extend to private meetings or parts of meetings which are not open to the public.

Equality Act 2010

The general public sector equality duty places an obligation on a wide range of public bodies (including town and parish councils) in the exercise of their functions to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and those who do not
- Foster good relations between people who share a protected characteristic and those who do not

The protected characteristics are:

Age	Race
Disability	Religion or Belief
Gender Reassignment	Sex
Marriage and Civil Partnership	Sexual Orientation
Pregnancy and Maternity	

Human Rights Act Statement

The Human Rights Act 1998 makes it unlawful, subject to certain expectations, for a public authority to act in a way which is incompatible with a Convention Right. However, when a planning decision is to be made there is further provision that a public authority must take into account the public interest. Existing planning law has for many years demanded a balancing exercise between private rights and public interest and this council's recommendations on planning applications take into account this balance. If there are exceptional circumstances which demand more careful and sensitive consideration of Human Rights issues then these will be taken into consideration by South Somerset District Council as the Planning Authority when they determine the applications.

AGENDA

Please note that the Town Council is a Statutory Consultee for Planning Applications and as such does not make the final decision on any Application. The decisions and comments this Committee makes will be fed into the planning process. South Somerset District Council is the Planning Authority and will issue the final decision notice (Planning Determination) once their investigations into the application have been completed.

(NB this does not preclude any later declarations).

Members of the Committee, who are also Members of South Somerset District Council, are reminded of the need to declare their membership of that Council and indicate that they may speak and/or vote on applications which may be later referred to that Council for determination, and that they could reconsider any such applications at district level taking into account all relevant evidence and representation made at that tier.
