If there are a significant number of objectors/supporters, it is recommended that a selected number of people are elected to raise the relevant issues on behalf of all those objecting/supporting in order to make the points clearly and concisely, and to avoid repetition.

## **Recording of Council Meetings**

The Local Audit and Accountability Act 2014 allows both the public and press to take photographs, film and audio record the proceedings and report on all public meetings (including on social media).

Any member of the public wishing to record or film proceedings must let the Chairman of the meeting know prior to, or at the start of the meeting, and the recording must be overt (i.e. clearly visible to anyone at the meeting), but non-disruptive. Please refer to our Policy on audio/visual recording and photography at Council meetings at [www.yeovil.gov.uk](http://www.yeovil.gov.uk). This permission does not extend to private meetings or parts of meetings which are not open to the public.

Members of the public exercising their right to speak who do not wish to be recorded or filmed, need to inform the Chairman who will instruct those taking a recording or filming to cease doing so while they speak.

## **Equality Act 2010**

The general public sector equality duty places an obligation on a wide range of public bodies (including town and parish councils) in the exercise of their functions to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and those who do not
- Foster good relations between people who share a protected characteristic and those who do not

The protected characteristics are:

Age	Race
Disability	Religion or Belief
Gender Reassignment	Sex
Marriage and Civil Partnership	Sexual Orientation
Pregnancy and Maternity	

## **Human Rights Act Statement**

The Human Rights Act 1998 makes it unlawful, subject to certain expectations, for a public authority to act in a way which is incompatible with a Convention Right. However, when a planning decision is to be made there is further provision that a public authority must take into account the public interest. Existing planning law has for many years demanded a balancing exercise between private rights and public interest and this council's recommendations on planning applications take into account this balance. If there are exceptional circumstances which demand more careful and sensitive consideration of Human Rights issues then these will be taken into consideration by South Somerset District Council as the Planning Authority when they determine the applications.

# AGENDA

*Please note that the Town Council is a Statutory Consultee for Planning Applications and as such does not make the final decision on any Application. The decisions and comments this Committee makes will be fed into the planning process. South Somerset District Council is the Planning Authority and will issue the final decision notice (Planning Determination) once their investigations into the application have been completed.*

(NB this does not preclude any later declarations).

Members of the Committee, who are also Members of South Somerset District Council, are reminded of the need to declare their membership of that Council and indicate that they may speak and/or vote on applications which may be later referred to that Council for determination, and that they could reconsider any such applications at district level taking into account all relevant evidence and representation made at that tier.
