### **GENERAL POWER OF COMPETENCE**

The Localism Act 2011 gives local authorities, including eligible town and parish councils, *"the power to do anything that individuals generally may do"* as long as they do not break other laws.

This relatively new power, which is known as the General Power of Competence and which was adopted by the Town Council in July 2012, is a 'power of first resort' and provides a way for *eligible* town and parish councils to take a much wider approach to the funding and delivery of services.

Activities that the Council might undertake using the general power of Competence include (but not limited to):

- Carry out work outside the local authority boundaries;
- Take over services previously provided by Unitary/County/District councils;
- Engage in partnership (to be innovative, cost effective and meet the needs of local people).
- GPC allows councils to create income such as:
  - Charge for discretionary services
  - Trade through a company.

The Act sets out the statutory criteria that eligible councils must meet to exercise the General Power of Competence:

- *Qualified Clerk* hold the Certificate in Local Council Administration (CiLCA) (including the GPC module) or equivalent qualification
- Electoral Mandate (minimum of two-thirds of members elected)

As previously reported, the Town Clerk holds the Certificate in Local Council Administration (CiLCA) including the relevant module. In addition, 24/24 of the Members who serve on the Town Council were recently elected to office.

Accordingly, the Town Council continues to fulfil both of the statutory criteria at this point in time and is therefore eligible to carry on exercising this power for the next four years.

To progress matters, the Town Council now needs to formally confirm that it meets the criteria for eligibility and pass a resolution to that effect. Once this has been done, the power remains in force until the next *relevant* annual meeting of the Town Council (ie the annual meeting that is held in the next year of ordinary elections). This will take place in May 2028.

Assuming the Council still meets the criteria at that point in time, it may pass a further resolution to continue using the power for a further five\* years.

\* Ordinarily, it will be four years.

Council is **RECOMMENDED** to agree the following resolution:

Yeovil Town Council hereby confirms that it meets the statutory criteria set out in the Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012 and is thereby entitled to exercise the General Power of Competence contained in the Localism Act 2011.
